SUBJECT: 2014 - 2015 Secondary Staffing Proposal

**STRATEGIC
PRIORITIES:** Student Achievement and Well Being
Responsible Stewardship of Resources

Background

Table 1 illustrates the secondary staffing reduction that has occurred due to declining enrolment across our school district since 2008. As you are aware enrolment started to decline prior to this date and such declines are directly linked to a reduction in the secondary staffing compliment.

Base secondary staffing is calculated as per Article 14 of the Collective Agreement between the Superior-Greenstone District School Board and the Ontario Secondary School Teachers' Federation. The staffing is based on the average of the two count dates, October 31, and March 31, of the respective years divided by 16. This generates the Classroom Teacher line of the table shown below in Table 2A.

A consultation process has taken place between the Principals and Superintendent of Education regarding projected staffing needs, the Principals understand that staffing their schools for 2014 – 2015 will be done according to Article 14 of the Collective Agreement and available funding from various grants.

Table 2B; outlines additional staffing over and above that prescribed in the collective agreement. These additional sections will
